So the motion to adjourn was re-
jected.

The result of the vote was announced
as above recorded.

ANNOUNCEMENT BY THE SPEAKER
PRO TEMPORE

The SPEAKER pro tempore (Mr.
FOSSELLA). The Chair will entertain 10
one-minute speeches per side.

REMOVAL OF NAME OF MEMBER
AS COSPONSOR OF H.R. 770

Mr. PHELPS. Mr. Speaker, I ask
unanimous consent to remove my
name as a cosponsor from H.R. 770.

The SPEAKER pro tempore. Is there
objection to the request of the gen-
tleman from Illinois?

There was no objection.

PUTTING PATIENTS FIRST

(Mr. GIBBONS asked and was given
permission to address the House for 1
minute and to revise and extend his re-
marks.)

Mr. GIBBONS. Mr. Speaker, through-
out the past several months I have
been listening to my constituents dur-
ing town hall meetings and other lis-
tening sessions to hear just exactly
what it is we need to do and what we
need to change. I believe we do need a
Patients' Bill of Rights, not a lawyers'
right to bill.

I support increasing access to health
care for all Americans and ensuring
that all patients can receive health
care and hold HMOs accountable. The
Patients' Bill of Rights Act of 2001 is
comprehensive, bipartisan legislation
that will increase the quality of health
care for all Americans and small busi-
nesses will be better able to offer
health insurance for employees and
expanded medical savings accounts.

Mr. Speaker, patients need to be pro-
tected and this plan gives patients ac-
cess, access to emergency room and
specialties care, direct access to obste-
tricians, gynecologists, and pediatri-
cians; access to needed prescription
drugs and approved clinical trials and
access to health plan information. It
also ensures that patients have the
right to choose their doctor with con-
tinuity of care and protection that al-
lows patients to definitely see their
own doctors even when they are termi-
nally ill, pregnant, or awaiting critical
surgery. Let us pass the Patients' Bill
of Rights Act of 2001.

PASS THE REAL PATIENTS' BILL
OF RIGHTS

(Mr. TURNER asked and was given
permission to address the House for 1
minute and to revise and extend his re-
marks.)

Mr. TURNER. Mr. Speaker, this is a
sad day for patients and their doctors.
A good bipartisan bill, the Patients'
Bill of Rights, went down to the White
House yesterday and came back as the
insurance companies' bill of rights. It
went down to the White House as the
patient protection act and came back
the insurance company protection act.

The President took a bill that has
passed the Senate, the same bill that
received almost two-thirds of the votes
of this Chamber last year, and he nego-
tiated away the rights of patients to
secure the health care their doctors
prescribe.

The Patients' Bill of Rights was ne-
gotiated away by the President to giv-
ing a special deal to the insurance
company, a deal that has never been
granted to any individual or any busi-
ness in the history of this country. If
we vote for this bill, we will be rolling
back the rights of patients for every
State in the union.

In Texas, we have had a Patients'
Bill of Rights since 1997. It is working.
It has not resulted in a flood of litiga-
tion. It has not resulted in higher
health insurance premiums. We have
had only 17 lawsuits. The President's
proposal will repeal this good law that
is working. I urge my colleagues to
stand up for States' rights, stand up for
patients and their doctors and pass the
real patients' bill of rights.

SOUTH FLORIDA MILITARY
MUSEUM AND MEMORIAL

(Ms. ROS-LEHTINEN asked and was
given permission to address the House
for 1 minute and to revise and extend
her remarks.)

Ms. ROS-LEHTINEN. Mr. Speaker, I
want to share the unique history of the
South Florida military museum and
memorial. The town of Surfside, led by
Mayor Paul Novack, as well as Chief
Petty Officer John Smith and Christine
Ruup, rallied together to save the his-
toric Building 25 to its original 1942
condition and establish a museum and
veterans' memorial.

Building 25 is the last original struc-
ture of the former Naval Air Station
Richmond, which was a World War II
Navy blimp base.

During World War II, just off the wa-
ters of South Florida, a battle occurred
between a U.S. Navy blimp and a Nazi
submarine.

Isadore Stessel, a Machinists Mate,
lost his life in the only blimp-sub-
marine battle in history.

Building 25 served as the base head-
quarters to the Naval Air Station and
blimp base, and it has been prominent
in the history of our South Florida
community.

The CIA used this facility as its cen-
ter for anti-Castro operations during
